I wanted to ensure that you have the information below that I submitted for the ETPA weekly. Also, OCIR Waste and Enforcement Team Leader Carolyn Levine (but not Bill D.) will be with the group and will be the “day-of” contact for all the congressional offices.

- HILL MEETINGS ON PORTLAND HARBOR SITE:

On July 29, RA Dennis McLerran, OSRTI Director Jim Woolford, and ODEQ Director Dick Pedersen will meet with OR Senators Jeff Merkley and Ron Wyden and with OR Representatives Earl Blumenauer, Suzanne Bonamici, and Kurt Schrader to update them on the Portland Harbor Superfund Site.
